Find the coloured words.

Air pollution is caused when we burn things. Cars, vans and lorries burn petrol or diesel as fuel in their engines. They produce invisible dirty fumes which we can breathe into our lungs. Diesel vehicles are the worst.

**2** What is the biggest cause of air pollution in Liverpool?

**3** Who is most at risk from air pollution?

**4** Breathing in lots of air pollution over a long time can put children at risk of...

--- problems and breathing difficulties

Hint:

**5** Rearrange the letters to find out what health condition air pollution can make worse for kids?

**H A M S T A**

\_\_\_\_\_

**6** Circle 4 ways we can help reduce air pollution around schools

- A** WALK, CYCLE OR SCOOTER TO SCHOOL
- B** TALK LIKE A PIRATE
- C** LEARN TO JUGGLE
- D** TURN OFF YOUR CAR ENGINE WHEN PARKED
- E** TAKE THE BUS OR TRAIN TO SCHOOL
- F** PARK AWAY FROM THE SCHOOL GATES AND WALK
- G** STAND ON YOUR HEAD

If we all work together, we can make a difference
